

Remember to collect your stamps!!
-It may get you an extra Christmas treat-

=THE=
OXTED
—2018—
ADVENTURE.
////////////////////
Where are you going for Christmas?

The festive season is a time of journeys and travelling – whether touring around visiting family or travelling back from work in time for the celebrations.

Each of us is trying to get somewhere at Christmas. Journeys of various kinds are also central to the Nativity story:

Mary and Joseph travelling by donkey to Bethlehem, the shepherds hurrying to the manger or the wise men coming from the East, following the star.

////////////////////
This year's (our SIXTH!) Oxted Adventure has 'journeys' as its theme and invites you to travel around our town on your own festive mystery tour.

Each December night leading up to Christmas Eve, one small space around Oxted – a garage, or a shed or porch – will open up between 6 & 7pm for an hour's festivity.

In some there will be music, in others, art or craft activities – and in each, a unique pop-up event where you can meet neighbours, enjoy some festive cheer and take part in the wonder of Christmas.

Inside, you will find a map of each location on our Yuletide journey: join us for as many as you can – and remember to collect your stamps each night, and those with the highest attendance will win a prize at the last event.

We'll see you around town ...
on the way to Christmas!

////////////////////
